TERMS OF SALE

- 1) A 10% buyers charge will be added to the hammer price of each lot purchased.
- 2) All bids are per lot as numbered in this catalog.
- 3) We reserve the right to withdraw any lot prior to sale.
- 4) All successful bidders shall be billed for postage, handling and insurance.
- 5) NASCA reserves the right to reject any bids not made in good faith and further reserves the right to ban any bidder from participation in its sales for any reason deemed appropriate at our sole discretion.
- 6) A NASCA auction bidder expressly waves any claim or right to an accounting, damages or compensation arising out of NASCA's failure to receive or execute any bid due to exclusion from our sales, clerical errors or other causes. No bids will be accepted from any person who has not signed a registration form or a bidder sheet.
- 7) United States coins and currency will not, in conformity with law, be opened at less than the face value.
- 8) No "buy" or "unlimited" bids will be accepted. We will act as agents for all mail bidders in the sale. Mail bids will be opened at the next interval over the second highest bid except where the intrinsic or regular market worth of the item dictates an opening at its fair market value. Floor bidding intervals will have an average increment of about 5% at the discretion of the auctioneer.
- 9) In the case of a tie between a mail bidder on the book and the floor, the mail bidder shall take precedence.
- 10) All bids must be in whole dollar amounts; this includes percentage increases.
- 11) Check your bid sheets carefully. We can not assume any responsibility for errors made in the amount bid or lot numbers listed. Make sure your sheet is signed.
- 12) No minors may participate in our sales. Agents bidding on behalf of others will be held liable if their principals fail to make payment.
- 13) Payment for purchases is to be made in cash upon receipt of invoice. No lots may be taken away unless paid for in full. A late charge of 1½% per month will be charged on the invoice total if payment is not received **within 10 days** of mailing the invoice. Bidders not known to us are required to deposit 25% of their bids in advance.
- 14) Title does not pass until payment in full is received. NASCA reserves the right to await clearance of any check before making delivery.
- 15) If a collection agency attorney is required to collect outstanding accounts, all agency and court costs, witness and attorney fees and all other costs of any kind incurred by NASCA shall be borne by the defendant. The signer of a NASCA bid sheet or participant in the auction concedes the jurisdiction of the courts of New York State or the U.S. in New York City as NASCA alone shall elect. The participant in a NASCA auction also assumes both corporate and personal liability for unpaid auction bills.
- 16) New York State sales taxes or other state sales or use taxes shall be levied, as required by law. Dealers and other non residents are reminded that sales tax must be collected unless Form ST-128.1 has been filed properly, under regulations effective 1 December 1982.
- 17) NASCA may reopen the bidding on a lot under the following circumstances: 1) NASCA has failed to execute correctly a mail bid. 2) A party purchasing the lot on the floor has done so in error. 3) Where a protest is made after the hammer has fallen but before the bidding has commenced on the next lot. 4) Where the auctioneer has determined that he has overlooked a party still bidding on the lot but before the calling of the next lot. 5) At the discretion of the Auctioneer.
- 18) In the event of any dispute, the decision of the auctioneer is final.

GUARANTEES AND RIGHTS OF RECOVERY

- 19) No price adjustments will be made on the hammer price of a lot whether there is a complaint about the whole lot or only one item in it. The entire lot must be returned if a refund is to be made.
- 20) Persons placing bids are responsible for meeting the maximum amounts represented on their bid sheets. NASCA reserves the right to reject frivolous complaints and to take appropriate actions against such bidders under paragraphs 5 and 15 above.
- 21) All material in this catalog is guaranteed to be genuine unless otherwise described.
- 22) No lots may be returned by floor bidders except for non-authenticity.
- 23) Mail bidders may return lots for reasons of non-authenticity or improper description within 5 days of receipt or forty-five days from the auction's last day, whichever comes first. Failure to execute this privilege in a timely manner either from a failure to pay promptly or from any other cause shall void it.
- 24) In cases where a question has arisen as to the authenticity of an item, the purchaser must, before settlement day (45 days after the sale), notify NASCA of his intention to return the item, confirmed in writing. The item will be examined by a recognized expert; if the item proves authentic, the sale will be consummated. If the item is not authentic, the sale price will be refunded.
- 25) In the event of litigation the plaintiff shall pay NASCA's legal costs, counsel and witness fees and all other costs incurred by it in defense against such suit together with interest on any funds expended at the prime rate at Morgan Guaranty Trust Company from the date of actual disbursement.
- 26) The same protections applicable here to NASCA apply to each and every one of their officers and employees unless they shall be convicted of knowingly selling false or stolen goods.
- 27) NASCA assumes no liability for merchandise lost, stolen or damaged while in the possession of a party to whom merchandise has been shipped. The purchaser is solely responsible for the safe keeping and insurance of any items in their possession.
- 28) All accounts are payable to NASCA in U.S. funds and remittances must cover the service charges for foreign drafts which shall be added to each invoice. No payments will be received by NASCA in the form of credit cards for auction sales, catalogs or other monies due to NASCA.
- 29) The placing of a bid shall constitute **full acceptance of the foregoing terms and conditions of sale.**

CONDITION TERMINOLOGY FOR PAPER

- Gem Unc.** (Gem Uncirculated) - The perfect uncirculated item, clean, bright, vivid, crisp (where paper permits), well-margined, unimprovable, without folds.
- Choice Unc.** (Choice Uncirculated) - A lovely uncirculated item, having only a hint of aging or unevenness of the margins, face or back, or narrow margins which take it out of the "Gem" class.
- Unc.** (Uncirculated) - As made or issued, but margins may be poor, the item lightly aged, with border trimming.
- Choice AU** (Choice Almost Uncirculated) - Essentially a mishandled uncirculated item with deficiencies like a corner fold, teller counting smudge or count wrinkling.
- AU** (Almost Uncirculated) - There is one fold, a teller counting smudge or counting wrinkling present.
- EF** (Extremely Fine) - An item which may, at first glance, look uncirculated but which has several petty folds, or a hard crease down the center perhaps with corner folds. Crisp, bright, vivid and pleasing, the paper as made, permitting.
- VF** (Very Fine) - Typically an item marked by moderate quarterfolds with perhaps a few other signs of handling. Should be clean, not seriously aged, torn, or pinholed.
- F** (Fine) - The last grade of an item in which the paper still has body. The folds are numerous and the design is beginning to show signs of soiling wear.
- VG** (Very Good) - A well circulated item, complete, unimpaired except for petty edge splits, pin holes, some surface splitting along heavy folds and soiling.
- Good** (Good) - An even more heavily circulated item with body holes, petty tears and splits, very soiled and tired, scarcely legible.
- Fair** - Heavily worn, split, holed, up to 10% gone, legibility seriously impaired.
- Poor** - A mere remnant, tattered and torn, scarcely readable with typically more than 10% of its surface area gone.
- A or Abt** (before a grade) - A shade below the grade it preceeds.
- Plus or +** (following a grade) - A shade better than the grade.
- VF-EF** (hyphen between grades) - The grade is about halfway between the two grades shown.
- VF/Good** (slash between two grades) - Face and back are two different grades. The grade preceeding the slash is for the face. The grade following is for the back.

PUBLIC SESSION

LOTS 1001 - 1093

FRIDAY, FEBRUARY 27, 1987

7:30 P.M. SHARP

STOCKS and BONDS

- 1001 **LA REPUBLICA DE CUBA** 1872. \$1000 bond, Cu, CBN, bl, bk. F-VF, soiled, four tiny punch holes. (\$50-90)

Issued by the insurgents of the Ten Year's War (1867-1877) which was finally settled by an amnesty, emancipation of the slaves, and some improvements in colonial autonomy. The revolt was largely limited to the eastern provinces. Manuel de Cépedes (1819-74) who led the revolt has his signature printed on the coupons. The bond was defaulted after December 1873. A beautiful piece in blue, with a map of Cuba.

- 1002 **REPUBLICA DE BOLIVIA** 1870. \$500 bond, Cu. U. NBN. Or, bk. VF, a piece out of the top right corner. (\$40-80)

Part of a 16,400,000 Peso issue. Issued to Henry Meigs, the well known American engineer and Railroad entrepreneur. Meigs was to build a railroad down the Pacific Coast. The mineral revenues from the nitrate deposits near Antofagasta secured the bonds. The railroad could not be started because of civil wars and general anarchy. The loss of the coast in 1879 sealed the doom of this project.

There is a lot of duplication, with three groups over forty pieces, three with more than 10. Altogether about 75 different titles. A good addition to general inventory, or a great way to start a person on a collection. Plenty of trading possibilities. This would be great for Cub Scout groups, or other similar organization. Should be seen. (\$250-Up)

One of Three Known

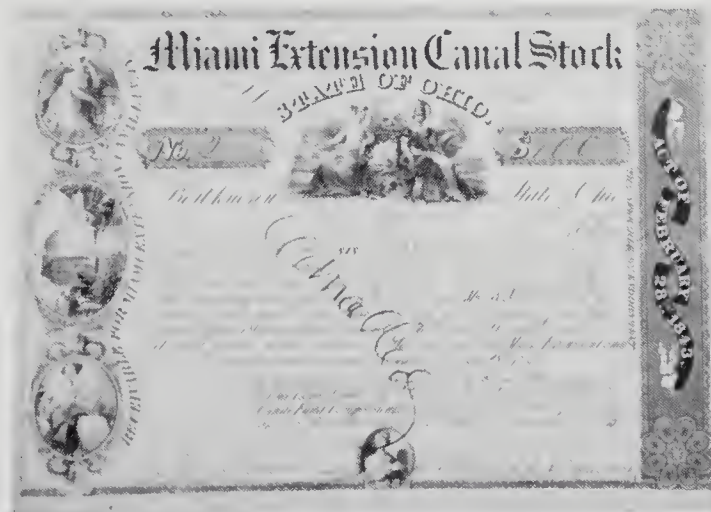

- 1040 **COMMONWEALTH OF VIRGINIA March 30, 1871. \$301.60. (Cr.71A). Registered bond, Charles L. Ludwig. Gr. F-VF, fold split holes. (Photo) ★(\$1000-2000)**
The bond was issued to consolidate all the various unpaid interest bills and other debts of Virginia. (see the notation at the bottom). Though nominally issued to a large amount (this bond is No. 2161), we know of only three pieces, one in the state's archives and another in the hands of a Virginia collector. The rest were apparently burnt after the end of the reconstruction era. Note how the bond border resembles the Confederate bonds done by Ludwig (Cr. 107-8, and No. 54). A great rarity for which the owner received an offer of \$1300. We would expect this item to bring much more.

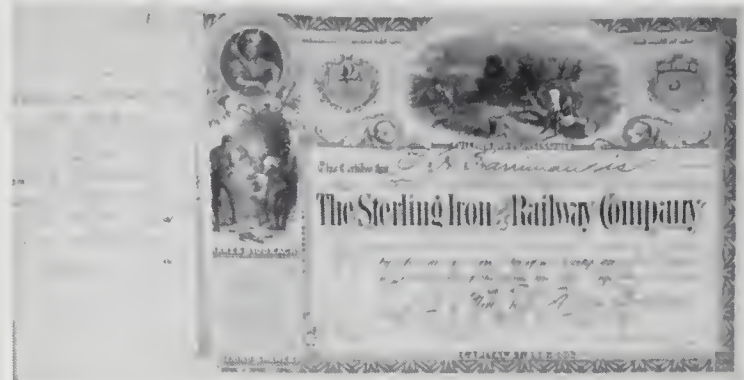

- 1041 **WALT DISNEY U.S. TREASURY: WAR FINANCE COMMITTEE. 1 bond.** May 9, 1945. U.S. Govt. Printing office: 1944-0-620542 form. Rd, bl, ye, or, pu, br, gr form with 22 Disney Characters. Center fold splitting. (Photo) **(\$150-300)**
The auctioneer had a Flushing 9 telephone number at the time this certificate was issued! A similar item, lot 1038 in our Stockton sale, in better shape, went for \$300.

Unless otherwise indicated, **all** stocks and bonds grade **Very Fine**.

Baker's Dozen

- 1042 **MIAMI EXTENSION CANAL STOCK (OH) 1843-4,** (Act of February 28, 1843). All \$100 (handwritten). Thirteen lovely examples, beautifully engraved with fine vignettes and elaborate detail by Rawdon, Wright & Hatch. All certificate numbers except one are below 50, including No. 2. There is an extra bonus, as one certificate, the fourteenth, has one vignette cut out. (14) (Photo) **(\$500-700)**

- 1043 **STERLING IRON & RAILWAY (NY) 1892.** An entire book of certificates, issued. Gr, bk, RN. Surveying and mining vignettes. ABN. About 500 pieces. (Photo) **★(\$1500-Up)**
Included are about 25 pieces registered to Jay Cooke, Jr., and a few are signed. There are about a dozen registered to E.H. Harriman. One has an accompanying signed receipt. Other names include Mary W. Harriman and estates of many notables, mainly unsigned. This lot should be seen to be fully appreciated - it should easily achieve the reserve price.

- 1044 **GREAT ATLANTIC AND PACIFIC TEA (NJ) 1906. 13 shs.** Pfd. Gr, br, bk. EF, POC. **★(\$200-300)**
Signed as President by George Huntington Hartford (1833-1917) a cofounder of A & P. He and Gilman entered business together in 1858 and by 1913 Hartford's cash and carry policy became the standard for the supermarket business. His descendant, Huntington Hartford became famous for his philanthropies and his extra curricular entertainments.

- 1045 **BOOK: Piedmont & Northern RY, 1936 First Mtg Serial Debenture.** Investment banking contracts, agreements, etc, from the library of Sullivan & Cromwell, and including six specimens comprising a complete set for this issue. These could be removed without damaging them. **(\$65-80)**

1046 LEHIGH COAL MINE. 2 Pcs. (\$+800-1200)

LEHIGH COAL (PA) 1796. One share. No 46. Being one fiftieth part of the coal lands of Northampton County. Ex the Lehigh Coal and Navigation Co. files VF, Stained at center and bottom. □ LEHIGH COAL CO. (PA) 1796 Different form, same transaction as last. One share. Part typeset. Signed as President by John Nicholson (1765-1800) Auditor of Accounts and Comptroller of Robert Morris in founding the North American Land Company, Pennsylvania Population Co., etc. Attested to by Michael Hillegas (1729-1804) Philadelphia merchant, U.S. Treasurer (1776-89) a founder of the Bank of North America and Lehigh Coal Mining Company. This company began the anthracite coal age in the United States and its share certificates, which were first offered at Memphis in 1886, not found in any public archive, and historically important for this reason. The shareholders of the company were from the Lehigh Valley and Philadelphia. The stock was sold by subscription, but was never publicly traded. After 1818, the assets of the company were held by Josiah White and Ezra Hazzard, founders of the Lehigh Coal & Navigation Company, and by 1838, all the original shares had been repurchased by White on behalf of LC&N. All told, the Lehigh Coal Mining Company, an unincorporated partnership, had very few documents, and for this reason this certificate is very rare and desirable. VF. For further reference, please see H. Benjamin Powell, Philadelphia's First Fuel Crisis, Penn State University Press, 1978. Share #46, payable to Charles Cist of Philadelphia (c. 1750's-1805). A German, Thiel, who changed his name, went to Philadelphia and became a printer, translator and Editor, publishing Tom Paine's American Crisis. When not otherwise employed, Cist signed Continental Notes during the Revolution, helped organized the Lehigh Coal Company (1792) and served as public (U.S.) printer under John Adams (1797-1801). A similar piece brought \$1050 as lot 1125 in the Memphis Sale.

1047 General Horatio Gates - Hay Receipt. (\$+75-125)

General Horatio Gates, (1728-1806) Aide de Camp of George Washington. After his military career, Gates married and settled on a farm in the Bowery in New York. Among other activities, he sold hay, and a few of the receipts he issued have survived. Long ago part of the Chase Money Museum, they have most recently been included in an exhibition about New York as the Nation's Capital City in the years following the Revolution at Fraunces Tavern. We offer a receipt here dated 8 May 1792, written in Gates' hand, and signed "GATES." A lovely piece, and few are known. EF.

Though not signed by him, this was the company controlled by Thomas C. Durant (1820-1885), and important for that reason. Durant developed the Michigan Southern, the Chicago and Rock Island Railway, built the Union Pacific and became involved in the Credit Mobilier Congressional corruption scandal. The Adirondack road was built to develop the timber and iron ore of the region, but failed, the state buying the lands for the present park. Note the exemption from Federal Tax (Act of Congress 6 June 1872) that Durant won for the company. While the bond has a high number, it seldom appears; we have seen only two.

☐ This is one of the so-called "First Republic" issues, the "Republic" being set up in New York in the mid-1860's. Such issues were one of the ways Irish patriots could express their sympathy for an independent nation even when they were unable to participate directly in the events taking place in their homeland. The "First Republic" was part of a widespread movement which sought redress for grievances by attacking British interests elsewhere. Irishmen helped the Canadian rebels in 1837-41 and took an active role in the Fenian raids on Canada in 1869-73, when U.S. opinion looked indulgently on such doings because of British support of the Confederacy. This movement expired with better times, being able to sell very few bonds and circulate still fewer notes. It is reported that less than \$200,000 was issued in all categories. ☐ An Irish note, \$5, of the same period, also signed by John O'Mahony (P.S. 101, VG). A fine pair for framing! (See lot 1038 in the Public Session of this sale).

WASHINGTON THE NATION BUILDER

by EDWIN MARKHAM
Author of *The Man with the Hoe*, etc.

A Spartan mother called him into Time,
And kindled duty in him as a flame;
While he was schooled by the primeval hills
Of old Virginia—schooled by her mighty woods,
Where Indiana war-whooped and the wild beast prowled.
His name was written on no college scroll;
But he drank wisdom from the wilderness.
The mountains poured into his soul their strength,
The rocks their fortitude, the stars their calm.

He grew a silent man;
Yet carried on all roads
The lofty courtesies, the high reserves.
He seemed to know, even in this noise of time,
The solemn quiet of Eternity.
But fiercer than a live coal slept

Yes, even by victory—when loud applause
When fortune flung to him a crown, he flung
The bauble back and followed the People's dream.
He turned from all the tempters,
Stood firm above the perils of success—
Stood like Monadnock high above the clouds.

He did the day's work that was given him;
He toiled for men until he flamed with God.
Now in his greatness, ever superbly lone,
He moves in his serene eternally,
Like far Polaris wheeling on the North.

Your friend,
Edwin Markham
